Past

A shared desire for contrast and a bold vision to redefine classical ideas of beauty for the modern age, has led to a collaboration between Jacky Tsai and Mineheart where ‘Past meets Present and East meets West’

Jacky’s fusion of traditional Chinese artistic techniques and references to western Pop Art are combined with Mineheart’s passion for high quality contemporary design.

Sanctuary Skull cushion

A minimalist white interior scene. In the foreground, a white floor lamp with a large, dome-shaped shade stands on a circular base. To the left, a white modular sofa with several cushions is visible. The background is a plain white wall, and the floor is also white, creating a clean, bright aesthetic.
